## CODE OF CONDUCT

I \_\_\_\_\_ ( print name) understand that in addition to the WPC code of conduct, as a Hamilton player , I am signing a code of conduct with the HAWPC . I am expected to attend a majority of practices on a **consistent** basis. I understand that players are expected to report on deck at least 15 minutes prior to each practice, where goals and expectations for that practice will be explained by the coach(es). The exception would be dryland , where an earlier arrival may be necessary. I shall demonstrate a **positive attitude and effort that is conducive to learning**.

**I understand that in being a part of the HAWPC I am participating in a competitive sport and that equal playing time is not guaranteed.**

**If I act in a way that is detrimental to the growth and success of the team and/or club, I understand that I may be:**

1. Put on probation, where resolution(s) can be agreed to.
2. Excluded from upcoming event(s).
3. In extreme or chronic cases, be asked to leave the club.

I understand that I will receive a report on my progress and development, as a player, and that I will be expected to work on areas of concern and to maintain skills that are deemed to be satisfactory, over the season.

If I cannot attend a practice due to educational demands or other **legitimate reasons**, I shall e mail the coach(es) by 6PM the day of a missed practice so that adjustments can be made in preparing the practice format.

**As an athlete** that represents the HAWPC, I agree to uphold the above conditions and expectations.

**As a parent** that represents the HAWPC, I will demonstrate a positive attitude at all practices and tournaments that will help to lead to the growth and success of the team and/or club and will support the expertise of the coaches.
